LUZERN, SWITZERLAND, March 1st 2010, by Jeff Ross, Managing Director, Hospitality Graduate Recruitment

Hospitality Graduate Recruitment, HGR (www.h-g-r.com) is proud to announce partnership with Anantara at the forthcoming SEG group recruitment forum in Montreux, Switzerland.

The Swiss Education Group (SEG), comprising of 4 of the leading Swiss hotel schools, will host its annual recruitment forum in mid March 2010, giving the opportunity for worldwide employers and over 1600 students to meet each other. Students of an extensive variety of nationalities and various international employers will gather to network, exchange ideas, and to sign employment and training contracts.

HGR will this year be hosting Mr Tim Williams, Vice President Organisational Effectiveness, from Anantara Hotels and Resorts (Minor Hotel Group) at the event in Montreux. Tim is based in Bangkok, and will visit Switzerland specifically for this important event.

Mr Williams states "we have a pipeline of 30 Anantara projects over the next 5 to 7 years. The people we hire will underpin the Anantara brand's continued profitability and our ability to deliver on our formidable expansion plans. Putting the right leaders in the right roles at every level has always been the cornerstone of Anantara's success. I am keen to ensure that we continue to attract the next generation of industry leaders as we position ourselves for the future".

Jeff Ross, Managing Director of Hospitality Graduate Recruitment states "we are delighted to be welcoming such a high profile hotel and resort group as Anantara, and it will be a pleasure to host Mr Williams personally. Upscale hotels and resorts in Asia are very attractive employers in general for European hotel schools and their students and graduates. It promises to be a very exciting event, and we are confident that Anantara will recruit some great talent via the forum".
