LUZERN, SWITZERLAND, October 1st, 2009, by Rikard Lundvall, HR Consultant, Hospitality Graduate Recruitment

The Swiss Education Group (SEG), comprised of four of the leading Swiss hotel schools, is hosting its annual recruitment forum in mid October, giving the opportunity for worldwide employers and over 1600 students to meet each other. Students of an extensive variety of nationalities and various international employers gather on this annual event to network, exchange ideas, discuss the industry and ideally to sign a job contract.

Hospitality Graduate Recruitment (HGR) is pleased to be attending the 2009 forum, at what promises to be a great networking event. HGR has a very strong relationship with its Swiss partner hotel schools and keeps in regular contact through visits, presentations, career fairs and events of this kind.

This year HGR is proud to announce that they will be hosting Atlantis The Palm Dubai at the event. Stephen Wilson (Vice President Talent Development and HR Administration for Atlantis Dubai) states "At Atlantis, Palm Jumeirah we see this event as a great opportunity to establish relationships with key players in Swiss Hotel Schools and to meet the future leaders of the hospitality industry and provide them with experiential learning opportunities at our beautiful World Class Resort .".

Rikard Lundvall, HR Consultant at HGR adds that "HGR is always happy to help its employer members gain valuable contacts in the industry and is confident that this event will strengthen the relationship between HGR, the Swiss hotel schools participating and Atlantis The Palm Dubai."
