**New Bachelor's and Master's degree programs
for Tourism and Hotel Management professionals**

Innovation & Management in Tourism (imte)

The BA degree program **Innovation & Management in Tourism** is a nationally accredited (www.fhr.ac.at) university education for tourism professionals who are already leading or plan to be leading this rapidly growing economic sector into the future. It can be enhanced by obtaining a 2-year MA degree kicking off in Autumn, 2010.

Study and Work in Perfect Combination

The innovative imt-English degree program is taught exclusively in English and therefore aimed at an international student body. Fulltime instruction is blocked in two 11-week periods, the first from October through December and the second from April through June. The intermediary time is to be used for employment in tourism-related enterprises.
