### THERE ARE MANY TOP HOTEL MANAGEMENT SCHOOLS IN SWITZERLAND AND THROUGHOUT THE WHOLE WORLD BUT IMI UNIVERSITY CENTRE ADDS VALUE TO THE STUDENT EXPERIENCE IN MANY DIFFERENT WAYS

IMI University Centre is the expression of a philosophy – based squarely on personality and individuality. The personal care for its students is probably the reason why it has become a magnet for students from different countries and continents. IMI Switzerland, located in Kastanienbaum near Lucerne, offers an academic and vocational education to the highest standards for a successful career. Courses are available as a certificate, diploma, higher diploma, Bachelor of Arts degree and postgraduate diplomas or even an MBA - in International Hotel, Tourism and Events Management, European Culinary Management, International Hospitality Management or Food and Beverage Operations Management. All courses are held in English.

IMI University Centre is a highly specialised hospitality and tourism management institution which educates and trains young, talented individuals from around the globe to take up professional positions in the world's largest industry. Dual degrees are awarded by IMI and Manchester Metropolitan University, UK, where IMI works closely with the Hollings Faculty, one of the oldest and most reputed hospitality centres in Europe.

**ACCREDITED:** IMI is fully British Accreditation Council (BAC) accredited, thus ensuring official recognition by immigration departments across the globe to facilitate the processing of study visas.

**FAST TO THE TOP** - Students can go directly from high school to a Bachelor's Degree in Hospitality in 2.5 years including 5 months of paid in-training. IMI assists students and graduates with the choice of in-training placement as well as advise and guidance on career planning through career services, career fairs and on-campus recruitment.

**ENGLISH PRIOR TO YOUR STUDIES** - IMI recognises that English skills are essential for a successful learning experience. Therefore we have created an extremely cost effective English learning programme prior to hospitality programmes.

**CLOSE TO THE CITY AND STILL AT THE LAKE AND WITHIN REACH OF THE MOUNTAINS** - Different from most other Swiss Hotel Management Schools, the IMI Campus is only 12 minutes from the centre of picturesque Luzern. Students can enjoy a typical Swiss landscape with mountains and a beautiful lake yet still have the comfort of a cosmopolitan city in close proximity.

**IMI UNIVERSITY CENTRE IS NOT A CONVENTIONAL SCHOOL AND DOES NOT INTEND TO BECOME ONE.**
