Why choose Swiss School

At Swiss School we strongly believe that success is based on the foundation of a high quality education. There is no other hotel school quite like Swiss School, with a dynamic, yet personal environment and the touch of Switzerland!

- Founded in 1966, SSTH is one of 6 accredited hotel management schools in Switzerland
- A multi-national environment with over 40 nationalities
- English and German speaking programs on the same campus
- Alumni network for international career ambitions
- First English taught hotel management program of Higher Professional Education on tertiary level according to the new Swiss Legislation – in process of accreditation since August 2010

Location

The Swiss School campus is situated in Passugg - near Chur, the capital city of the state Grisons, Switzerland. The School Hotel – a former spa hotel – and the modern state of the art classroom block, offer all facilities needed for making learning and living an unforgettable experience.

Accreditation

The programs are accredited by the Queen Margret University in Edinburgh Scotland and the University of Delaware, USA.

Swiss School is a member of the ASEH Swiss Hotel Schools Association.
